TODDLER NEWS

We are pleased to share that **Teacher Messaging** will be enabled on Toddler on Friday 8 September and you can soon send messages directly to your children's teachers via the Toddler app. This messaging function will be useful for quick questions, concerns, clarifications or information sharing.

If your message is longer, sensitive or complicated, we would ask you to continue to communicate via email or arrange a face-to-face meeting with the relevant teacher. Please contact PYP Coordinator Samantha Addington sa@ais-aarhus.dk with any general questions or concerns.

If you are unable to log-in to your Toddler Family account, [please use this link to reset your password](#). Enter the same email you have registered with the school. You'll then receive a message from Toddler with temporary password and be able to reset your password and connect.

A MESSAGE FROM AARHUS KOMMUNE

Offer for children who stutter (grades 1-6, PYP5-MYP2)

When you stutter, it can be nice to meet others who feel the same way. Stammerteamet at PPR in Aarhus Municipality holds a Stutter Café twice a year, where children who stutter have the opportunity to have fun and socialize with each other. You can read more about the offer in the

attached folder, in Danish. Registration is required, please see the attached information folder to find out more and to sign up.

School Start and Transition Meeting on Wednesday 20 September

We would like to invite PYP 3 parents and guardians to a meeting about school start and transition to PYP4 on **Wednesday, 20 September at 8.30 am** in the hall of our Early Years Campus.

Margaret will be present and share information about starting in PYP 4 and there will also be a question-and-answer session at the end of the meeting. Please note that there is no sign-up required.

We expect the meeting to take between 30-45 minutes.

We look forward to seeing as many of you as possible at this meeting.

MAP ASSESSMENTS: PYP5-MYP3

Students in PYP5-PYP8, along with students in MYP1-MYP3, are scheduled to participate in the Fall Measures of Academic Progress Assessments (MAPs) between 11-29 September 2023. Each student in these grade levels will take two electronic assessments: Reading and Mathematics. Students who miss a testing session or need additional time to complete their assessments will have the opportunity to participate in a Make-Up testing session.

We are hoping to have all testing completed in early October.

Our PYP5 students will be taking this assessment for the very first time, so for our youngest students this process is very much about getting used to the idea of taking a computerized assessment and becoming familiar with the system. We also help our students begin understanding the idea of using a test to measure what we know and what we can do. We do our very best at school to positively support all students through this experience and frame this as a way to check in on student learning and to see how each student is progressing.

The assessment process is an important opportunity for us as a school to check-in on individual student progress, as well as the broader, general trends we are seeing in our students across the school. The results of the MAP assessments for the year will be shared with you through your child's homeroom teacher towards the end of the school year in PYP, after the students have completed the assessment for a second time this year in the Spring of 2024. In the MYP, the results are shared upon request.

How can you help prepare your child for MAPS?

It is important that nothing changes in your routine at home. Students should go to bed at a reasonable time and come to school ready for the day and prepared for their lessons, as usual. The assessments are designed to determine your child's level of current academic progress therefore, no studying or extra practice is needed. Please continue to support with homework and assessment tasks throughout this time frame, as you normally would.

We do, however, ask that you take special awareness to the start of the school day and have students in their homeroom, *ready to begin the day at 8:00*, as many testing sessions are set to begin at 8:15. Many thanks for your support in this process.

MYP

SAVE THE DATE!

The annual MYP assessment seminar will take place on Wednesday 20 September from 16:00 – 17:00 in the MYP I&S room in the pavilions.

This session is especially recommended for new parents and MYP1 parents. Kathryn Templeman, MYP Coordinator will go through all the relevant information in terms of grades and reporting for MYP subjects and answer questions.

PTA

PYP PTA COFFEE morning on Wednesday, September 13th

ALL PYP parents are invited to join us for our PTA coffee morning on Wednesday, September 13th from 8.15-9.30 in the small gym. Ms. Samantha Addington (PYP Coordinator), Wendy Garnier (ASA Coordinator) Margaret Kristensen (Primary School Principal and Early Years Leader) will make a short presentation. Parents will have an opportunity to ask questions and share feedback. We hope as many parents as possible can join us.
