ONE-CAMPUS CONSTRUCTION UPDATE

Construction site May2023 vs
Sep2023 →→ Progress!

The One Campus project is still on track to be completed in time for the opening of classes in August 2024. The last heavy concrete elements are expected to be put in place next week. The above pictures show the progress which has been made to date.

PLAYGROUND AT DALGAS

During the times before school (07:30-07:55) and directly after school (15:00-15:45) the playground can be used. However, as there is no adult supervision during these times, any use is at one's own risk. Students are encouraged to exercise care so they remain safe and are asked to keep the sand in the designated area and not carry it into the new playground where the equipment is located.

AARHUS CITY WELCOME 2023 (ACW 2023)

The City of Aarhus is organizing an "ACW 2023" event at Dokk1 on Saturday 30 September from 10:00-14:00. Aimed at international families, this event offers an information bazaar in which more than 40 organizations are on hand to offer guidance on a wide variety of topics such as

culture, sports, language training, children's lives, networking, education, volunteering and much more. AIS will be represented at this event. If you are there, be sure to stop by our booth and say hello. Mark your calendars and take advantage of this opportunity!

MAP ASSESSMENTS: PYP5-MYP3

Students in PYP5-PYP8, along with students in MYP1-MYP3, are scheduled to participate in the Fall Measures of Academic Progress Assessments (MAPs)

between 11-29 September 2023. Each student in these grade levels will take two electronic assessments: Reading and Mathematics. Students who miss a testing session or need additional time to complete their assessments will have the opportunity to participate in a Make-Up testing session.

We are hoping to have all testing completed in early October.

Our PYP5 students will be taking this assessment for the very first time, so for our youngest students this process is very much about getting used to the idea of taking a computerized assessment and becoming familiar with the system. We also help our students begin understanding the idea of using a test to measure what we know and what we can do. We do our very best at school to positively support all students through this experience and frame this as a way to check in on student learning and to see how each student is progressing.

The assessment process is an important opportunity for us as a school to check-in on individual student progress, as well as the broader, general trends we are seeing in our students across the school. The results of the MAP assessments for the year will be shared with you through your child's homeroom teacher towards the end of the school year in PYP, after the students have completed the assessment for a second time this year in the Spring of 2024. In the MYP, the results are shared upon request.

How can you help prepare your child for MAPS?

It is important that nothing changes in your routine at home. Students should go to bed at a reasonable time and come to school ready for the day and prepared for their lessons, as usual. The assessments are designed to determine your child's level of current academic progress therefore, no studying or extra practice is needed. Please continue to support with homework and assessment tasks throughout this time frame, as you normally would.

We do, however, ask that you take special awareness to the start of the school day and have students in their homeroom, **ready to begin the day at 8:00**, as many testing sessions are set to begin at 8:15. Many thanks for your support in this process.

MYP

SAVE THE DATE!

The annual MYP assessment seminar will take place on Wednesday 20 September from 16:00 – 17:00 in the MYP I&S room in the pavilions.

This session is especially recommended for new parents and MYP1 parents.

Kathryn Templeman, MYP Coordinator will go through all the relevant information in terms of grades and reporting for MYP subjects and answer questions.

Great news! The **Bakken Bears** professional basketball club are once again offering the school **free tickets** (minus a 7 kroner service fee per ticket). The game will be played on Tuesday, September 19th starting at 18:30 against Horsens. The game will be played at Bakken's regular Danish league

homecourt: Sparekassen Danmark Basketball Center, Vejlbj Centervej 51, 8240 Risskov. !Remember this is not the same location as the European games that were played last year at the AGF stadium!

This will be Bakken's second game of the season, Bakken the defending champions from last season, playing in the "Jysk Derby" with two teams that have been among the most competitive teams in the Danish basketball league.

The ordering link is below. It is the same routine as last year, simply click on the link, scroll down to order the number of tickets you would like (maximum 5 per family), click the green button "fortsæt", then you should see your ticket order where you then click the green button "Tilføj til kurven". You should then see your ticket order with the price to pay (free except a 7 kroner service fee per ticket), where you then click the green button "fortsaet til kassen". Fill out your information and click the green button "fortsaet", then "godkend ordre". After you enter your payment details, it will show your receipt and a green button to download your tickets. It's a straight forward ordering process, check in with families that attended last year if you are having difficulty ordering.

We thought it would be fun if students could all wear their grey AIS uniform shirts, with parents also wearing grey tops so we stand out in the crowd on game day.

Looking forward to a great game with another large and enthusiastic AIS cheering section at the game. The ticket link is below:
