

NEWS FOR ALL

ONE CAMPUS: New Building Update

Windows are now being installed in the new building as work continues to be on schedule. Teachers recently had the opportunity to tour both the kindergarten facility and the new building which provided them with a more realistic impression of the rooms they will eventually be using. The AIS building

consultant and the project manager for CC Contractors who led the tours also provided insight regarding the general spaces to be used by all students which will be of value to the further planning of how these spaces will be equipped and used. Watching the construction of these two new facilities continues to keep the excitement high.

THANK YOU to PTA, PARENTS, STUDENTS and STAFF.

This year's Halloween celebration was again a success, well attended and most enjoyable! To watch how individuals came together, forming groups which collaborated with each other, to see individual effort along with groups cooperating for the benefit of the students and the AIS community, all with the goal of setting up a festive Halloween celebration, was both amazing and truly rewarding. Everyone played their part, from the set set-up to clean-up and you all made it look as natural as if you did this every day. We wish to thank the PTA for the overall organization, the many parents who donated their time, the MYP5 students who ran the haunted house and most of all, the children who gave life to our school's Halloween celebration!

SPIRIT WEEK is coming soon!

Spirit Week is coming to AIS a little earlier this year and will take place next week:

Monday 6 November – Friday 10 November.

This annual tradition by our student council is always a really fun week with crazy hair days, pajama days and international costume days. Please see the attached schedules for the different themes in EY Campus and the Dalgas campus. Dressing up is encouraged but optional. Please note that students who do not wish to participate and dress up must wear their school uniform as normal.

PYP4-8

Home Language Clubs on Monday 6 November from 14:15 – 15:00

A reminder that our Home Language Clubs (PYP 5– 8) will be held on **Monday, the 6th of November from 14.15-15.00.**

Our Home Language Programme includes the following languages: Chinese/Mandarin, German, French, Italian, Tamil, Bengali, Spanish, Ukrainian, Danish, Arabic, Hungarian, Singhalese, Swedish, Portuguese, Polish, Russian and English.

The PYP 4 students will join the Home Language Programme in January.

If there are any PYP5 students who are not participating in a Home Language club, they will go to MAC (if they have signed up for MAC), otherwise they should go home as usual.

If your child is in PYP 6-8 and not involved in one of these clubs, please send them to school with a book, game, activity, song, or something they can share and work on in their home language.

If there are any parents who would like to volunteer to help in one of our existing Home Language Clubs or perhaps help set up a new club, please feel free to contact Ms. Faith Kumaraswamy fk@ais-aarhus.dk or Mrs. Kristensen mmk@ais-aarhus.dk
