PARKING UPDATE

Starting in January, Aarhus Municipality will change the parking rules in the Frederiksbjerg area which includes Dalgas Avenue.

The main change will be that the 2 hours free option is no longer available on our side of Marselis Boulevard. On the map attached, the yellow area with red stripes will become red zone.

Due to the very limited parking spots available at the school, the Guest Parking spaces unfortunately *cannot* be used by parents until 15:30.

When dropping off and/or picking up, parents should refrain from sitting and waiting in a parking spot or in the kiss and drive area as it blocks the flow for others. If you arrive early, please use street parking until your child is ready for pickup.

For events like Parent Teacher meetings, Mother Tongue, Assembly's, Festival/ & Fairs etc. street parking *must* be used, and if you park on the other side (south) of Marselis Boulevard, you still have 2 hours FREE when using a parking app (yellow zone).
