RAMADAN CELEBRATION – 15 MARCH

We are excited to announce that we will be celebrating the beginning of the month of Ramadan on Friday, 15 March, from 17:00-19:30 in the big gym. This celebration is open to all members of the AIS community and will feature a variety of fun and educational activities, workshops, games, food tasting, and much more.

PYP 4-8 INTERIM CONFERENCES

Interim Conferences are held in the spring each year and are typically initiated by invitation from the homeroom teacher. In the coming days, PYP4-8 homeroom teachers will reach out to invite families that they would like to see directly and share the signup procedure with you. Parents can sign up for a meeting as well, even if not directly invited by a teacher. The conferences are 15 minutes each. Specialist subject teachers will not be available for conferences at this time. Conferences will be held on Monday 18 March and Wednesday 3 April from 15:00-17:00.

PYP4 and 5 students are not expected to join the meeting alongside their parents. For PYP6-8, this may be a Parent/Teacher or a Three-Way Conference. Teachers will inform you about whether they would like the child to participate. We look forward to continued collaboration!
