Price deductions and discounts	
SIBLING DISCOUNTS	Sibling discounts are determined according to the child's tuition. The child with the highest tuition is calculated at full rate. Siblings pay 70 % of the full rate. Siblings are considered students who have at least one custody holder in common.
SHORT TERM STUDENTS	Students applying for less than a 6-month period are offered 50% discount on the capital fee. There is a minimum of 8 weeks' payment regardless of the length of attendance. This status must be confirmed in writing prior to the students attending classes. (Short term student waiver form required)

The capital fee (4,680 DKK) will be returned.
RETURNING STUDENTS	Previous AIS students in good standing who have been disenrolled from the school for a period of no more than 24 months will not be required to pay the capital assessment fee anew upon return and re-enrollment in AIS on the condition that this fee was already paid initially upon joining AIS.

Payment	
PAYMENT	NETS will take care of all of the payments regarding school tuition and ASA fees. In order for NETS to do so, at least one parent's / guardian's CPR number is required. Parents or companies that pay the invoice must have a Danish address. The CPR numbers will only be used internally at AIS for updating student addresses and managing invoices. They will otherwise be kept confidential.
FIRST PAYMENT	Invoices are generated at the end of the month (around the 20th) for the following month's tuition fees. The first invoice will be sent prior to the first day of school. We will ask for the CPR number of your child and the person responsible for paying the fees.
AUTOMATIC PAYMENTS	We encourage all families to sign up for automatic payments, known as Betalingsservice. This can be done after you receive your first invoice. This way you do not need to do anything in order to pay your invoices and your payments will always be on time. You need the Debitor Group Number (<i>Deb. grp. nr.</i>), Customer Number (<i>kundenr.</i>) and PBS number (<i>PBS-nr.</i>). These numbers can be found at the bottom of your invoice. If you have any questions as to how this is set up, please contact your bank.
PAYMENT FEES	Payments from abroad and via MobilePay carry a cost of 50 DKK. This cost will be invoiced if such payment types are used for more than 2 months.
LATE PAYMENT	If you do not pay your monthly invoice by the date due, AIS will send out a "first" reminder. <u>An extra fee of 100 DKK will be charged for each reminder.</u> If the amount due is not received by the due date as stated in the first reminder, a "second" final reminder will be sent. Should the amount due as stated in the second reminder not be paid on time, your child's enrollment will be discontinued, and they will not be allowed to attend classes. Parents who have paid their invoice late two times will be required to use a <i>Betalingsservice</i> for all future school tuition payments. Student reports will not be issued unless payments are up to date. For outstanding debts, AIS will pursue active debt collection.
